Marie - Tamiment update:

- Chela has gotten approved access to audio material for Dan and Marie, Dan will be getting the material Tuesday.
- processing plan draft still being worked on, will create work plan for documenting recordings that can also be followed by intern
- More concrete work will be discussed and implemented next Monday (Marie and Rufus gone this week for Personal Archiving conference)

Kelly/Anna - Report back on meeting with Global Revolution:

- Vlad did live stream workshop with people in Spain, things are about to happen there (like Greece)
- 200 GB of footage can be picked up at this stage- grainy, from Sep 17 2011 to early Feb 2012
- There is footage from Spain we could have
- "We can have it" - defining We, Vlad is not concerned at this stage, wants to share content
- We can make it completely public
- Using 'terra decks'- live streaming and also going to tape
- Don't know file formats at this stage (project!)
- Vlad okayed collection assessment by Kelly- will do itemized inventory, create action plan
- Anna is meeting with Cari Machet on Monday
- Omeka installed on S3 test server, where they have Collective Access, picked out plug ins to install
- Omeka is turning out to be a lot more user friendly than CA

Meeting with Alexis Rossi in San Francisco:

- Howard: we should corner her at the conference and ask her questions
- Make list of questions/what we want from her and what is the timeline?
(Anna)
 - 1. Space 2. What level of access do we want, but who and how many?
- Vlad has seen metadata sheet, had feedback
- Anna/Kelly will provide Omeka access so we can poke around

OWS working group update:

- They have been allowed back into the office space
- Paper archives getting back on track for library
- Anna trying to get Tam- and paper archives together
- Amy Roberts wants to begin communication with Occupy Philly archives
- Anna will send links to 7 Tips and other sources
- New Personal Archiving resources have come out of LoC
- Occupy Kit- can Yvonne possibly take this over? (pretty please)

Preservation Week update:

- Rufus will be happy to edit video footage- just give him HD of content wanted (just a clip reel)
- For April 3 meeting in Baltimore (4/2-4/3), can video be done for that? (Millman, Besser, K. Hannah and S. Leon are presenting)
- PR- once we have a list of speakers and topics, let's send it out to listservs, nothing grand- don't need posters or anything (Shira)
- Kelly will reach out to working group for participation in event

Videos for ActArcs site:

- Howard and Rick in Why Archive video (Rufus)
